AVIATION للطيران

## ABOUT US

Khayal Al Hejaz (KH Aviation) is an aviation service providing establishment based in the Kingdom of Saudi Arabia (KSA), established in 2016 by professionals with over three decades of rich experience in the commercial aviation industry, with its headquarters based in Jeddah.

## SERVICES

- Sales, purchase and lease of Aircraft.
- Buying, selling and stocking Aviation Spare parts, Consumables, Ground support equipment, Lubricants and hard to find items to various Airlines and Helicopter Operators across the Middle East, CIS, Asia and Africa.
- Repair management services that offer the customers an economical solution to all of their component MRO work through a number of contracted shops across the USA and Europe.
- Ground Services, Refueling and Catering services.
- Consultation of General Authority of Civil Aviation to get all air clearances.

The rapid growth of the global aviation industry has deemed it necessary to expand the company beyond KSA. Hence, the company opened an office in the year 2017 by the name KH Aviation FZE, UAE. KH Aviation FZE was formed with the vision to tap into the international aviation market. UAE being a major global aviation hub makes it an excellent location to serve as an effective base for international marketing, thus expanding the company's worldwide clientele.

At KH Aviation, we believe that our top priority is nothing but the complete satisfaction of all our customers and we strive to be the first choice of all our customers and take great responsibility to deliver our best service through honest and open communications and wholly desire the success of our customer simultaneously with the growth of our organization.

## OUR MISSION

To provide quality aviation services and solutions inclined to the needs of our clients to create a successful and synergetic network across the globe through dedication and teamwork. Top notch services with a prompt delivery being the key to all our successful transactions.

## OUR VALUES

- Integrity
- Responsibility
- Team-work
- Result Orientation
- Focus on the Future

# AIRCRAFT SALES, LEASING & CHARTERS

KH Aviation caters to all aircraft owners looking to reposition their fleets, add new and used aircraft or disposing of certain aircraft. We work through every step of the process from locating aircraft around the world to estimating the cost of maintenance and making the aircraft airworthy. We offer a wide range of aftermarket commercial aircraft to passenger and cargo operators from across the globe, with the help of our rapidly expanding sales and lease portfolio.

Our experienced and dedicated aircraft trading personnel understands that all customers have their distinct necessities and demands. Therefore all transactions require flexibility and a responsive service in order to create a customized solution to our client's operational needs. KH Aviation's customers can rely on our expert guidance, personalized service across every step of the sale or lease transaction.

Our team of professionals can also market your aircraft for sale, lease, management and charter. KH Aviation is diversified to cater to Helicopters, narrow and wide-bodied commercial aircrafts in both passenger and freighter configurations. Our final goal is to establish long-term relationships with our clients while providing comprehensive technical information and superior customer support throughout our services. Our extensive business dealings and aviation experience enables us to effectively provide these services, when a need for a specific aircraft, or an aircraft with specific performance characteristics, is required.

Our charters services include: Helicopter charters, Private jet aircraft and Executive airliner charters, as well as a huge range of small specialist personal aircraft to all clients depending on their particular requirements.

Our international team of aviation specialists will assist you with key Hajj and Umrah charter consultations, providing you with the best options available within the shortest time span possible.
